About Me

I'm Myo Htut Paing, a dedicated professional with over seven years of diverse experience across the retail, food and beverage, and logistics sectors. Throughout my career, I've developed a strong foundation in quality assurance, customer service, and operational efficiency, notably spending three years ensuring high standards at IGS Company Limited and two years managing high-volume transactions as a cashier at G&G Store. I'm a highly adaptable team player with a proven track record of maintaining accuracy in fast-paced environments, whether I'm conducting meticulous quality audits or navigating complex delivery routes. I'm currently seeking a role that offers a healthy work-life balance where I can leverage my problem-solving skills and leadership potential to contribute to a collaborative and productive team.
